

## CLAIMS

1           1. A template book for assisting a user in drawing images and  
2 shapes on a surface, said book comprising:

3           front and back cover panels; and

4           a plurality of template pages disposed within said cover panels wherein  
5 each of said template pages is formed of a plurality of foldably attached  
6 template sheets operative to be folded out from said cover panels to form a  
7 drawing template, said drawing template having an area defined by said  
8 unfolded template sheets.

1           2. The book of claim 1 wherein said cover panels are formed of a  
2 durably rigid material.

1           3. The book of claim 2 wherein said durably rigid material is  
2 formed of cardboard or plastic.

1           4. The book of claim 1 wherein the plurality of template pages are  
2 bound to said cover panels.

1           5. The book of claim 4 wherein the plurality of template pages are  
2 hingedly bound to said cover panels.

1           6.     The book of claim 1 wherein said plurality of foldably attached  
2     template sheets are hingedly attached.

1           7.     The book of claim 1 further comprising a storage bin for  
2     carrying and storing said book therein.

1           8.     The book of claim 7 further comprising a plurality of markers  
2     disposed within said storage bin, said markers operative for use with said  
3     drawing template.

1           9.     The book of claim 8 wherein said storage bin further comprises  
2     a top cover.

1           10.    The book of claim 9 wherein said top cover includes a pocket  
2     for disposing a portion of said book.

1           11.    The book of claim 7 wherein said storage bin further comprises  
2     a carrying handle.

1           12.    The book of claim 1 further comprising a pocket cover 19  
2     operative to receive said template page therein.

1           13. The template kit for assisting a user in drawing images and  
2    shapes on a surface, said drawing kit comprising:

3            a storage bin;

4            a plurality of markers disposed within said storage bin; and

5            a template book for use with said markers and disposed within said  
6    storage bin, said book comprising:

7              front and back cover panels; and

8              a plurality of template pages disposed within said cover panels

9              wherein each of said template pages is formed of a plurality of foldably  
10    attached template sheets operative to be folded out from said cover  
11    panels to form a drawing template, said drawing template representing  
12    an image or shape and having an area defined by said unfolded template  
13    sheets.

1           14. The template kit of claim 13 wherein said storage bin further  
2    comprises a top cover.

1           15. The template kit of claim 14 wherein said top cover further  
2    comprises a pocket for disposing a portion of said template book.

1           16. The template kit of claim 13 wherein said storage bin further  
2    comprises a carrying handle.

- 1            17. The template kit of claim 13 further comprising a pocket cover
- 2            19 operative to receive said template page therein.
